

REMARKS

After the foregoing amendments, cancellations and addition of new claim 36, Claims 1-17, 24-27, 29-30, and 34-36 presently appear in this case. The amendments to the claims are being made to eliminate all multiple dependencies, so as to reduce the filing fee. Other amendments incorporated the certain dependent claims into prior claims, also to reduce the fee. Yet other amendments correct minor typographical errors and otherwise clarify the language to place the case in better condition for examination.

The amendments made above are made entirely without prejudice, the applicant(s) respectively reserving his/their right to add claims at a later stage commensurate in scope with the claims which may have been eliminated by the removal of all multi-dependencies.

Please enter the above amendment prior to calculation of the filing fee. Prompt consideration on the merits and allowance are earnestly solicited.

Respectfully submitted,
